FUNDRAISER FOR ALL SKILL LEVELS -- Porter Barr, a 14-year-old serving phenom, recently served out an entire gold medal game with his chainsaw serve 11-0-2. Here's your change to experience it for a good cause. You can join him in an exhibition to raise funds for Veteran Suicide Prevention during Pickle Jam. For a \$1+ donation, you will be able to try to return Porter's kick serve. Come see how you fare! All proceeds go to One More Day --- a Veteran operated non-profit providing Military, Veterans, and Police access to help for suicide prevention, depression, and anxiety issues.

PLAY WITH A 4.0+: Each 2.0, 2.5, 3.0 player will partner up with a 4.0+ player giving them the opportunity to see the differences in speed, touch, and positioning at a higher skill level.

ROUND ROBIN FORMAT: Players must honor their stated skill level. Partners randomly assigned per game. Winners calculated by total points earned. Sign ups will be held near check in desk starting on Friday morning.

CHAMPION OF THE COURT is a fun and competitive game for all levels! Players must play at their stated skill level. Today is for 2.0 - 3.5 players. Players are randomly split into groups of 4 and are given a specific number of minutes to play. Once time is up, the winning team moves up a court and losing team moves down a court. Players split and play again. The goal of the game is to move up to and stay on the Winning Court as long as possible!
